<b>Suggestions for Improvement:</b>	Please substitute other phrases for "you guys" - ladies and gentlemen, you, students, etc.
<b>Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?</b>	Yes
<b>General Comments:</b>	Ann met the InTASC standards in her lesson on the cell life cycle. I was impressed with her ability to relate to the students, provide effective examples and keep what could be a boring topic, interesting. She effectively used informal assessment and provided a worksheet got further formative assessment detail. Ann is ready to student teach!!
